

As an alternative way of working, coworking spaces are great for startups, independent professionals, telecommuters, and others who need the flexibility of space to evolve without the commitment to long-term, fixed-size office space. **Fremont** has coworking spaces to fit the growing independent workforce, including:

**WORKSPACE FREMONT**  
45401 Research Avenue  
Fremont CA 94539

*Al Hill or Bert Sandell 650.863.8300*
