

City of Fremont Temporarily Suspends Business Tax Penalties & Interest Payments

The City will waive penalties and interest on late business tax payments for business tax certificates that expired on December 31, 2019, and were due for renewal by February 29, 2020. This will remain in effect until further notice.

Businesses that have already paid penalties and interest on late renewal payments with a due date of February 29, 2020, will receive a credit to their business tax account for the penalties and interest amount paid for this period.

This waiver of penalties and interest will continue for business tax certificates expiring on March 31, 2020, which are due for renewal by April 30, 2020, and will be in effect until further notice.
